Membership application

The TKMOAMS vision is of an HIV-free society that provides dignity, respect and hope for the future.

TKMOAMS was founded to contribute to the process of restoring hope and improving the quality of life of people and communities affected by the HIV/AIDS pandemic, and to improve quality of life, eliminate stigma and discrimination, and restore hope for all, including adults, children and people affected by HIV, through education, care and support.

With your support, we can achieve these aims!

TKMOAMS is pleased to offer membership in three categories. Being a TKMOAMS supporter entitles you to receive information and training -- for example, counselling for your staff, basic information around HIV and AIDS -- and to participate in the TKMOAMS Annual General Meeting. Membership applications will be approved by the TKMOAMS Board at the nearest quarterly Board meeting.

Please tick the box representing the category of membership you are applying for, fill in the form below, and submit this form, together with your membership fees, to the TKMOAMS office.
